## VOCATIONAL EXPERIENCE ABROAD

Erasmus+ mobility is about travelling and visiting another European country, knowing new people, developing personal attitudes and transversal competencies. Moreover, it is a very important experience for the vocational growth of young beneficiaries. Let your mobility project coordinator know if and how the programme set in the learning agreement has been respected!

List the main activities that you have carried out during the first period of your traineeship/training programme abroad.

---

---

---

Compared with your previous knowledge and experience, which new things did you learn?

---

---

---

Which of the following soft skills are you developing with your mobility experience? Select all that applies!

- Communicate in English
- Communicate in the language of the hosting country (if different from English)
- Work in a team
- Problem solving
- Work in autonomous way
